(Verse)

I know a girl from a lonely street,
Cold as icecream, but still as sweet,
Dry your eyes, Sunday girl.

Hey, I saw your girl with a different girl,
Looks like hes in another world,
Running high, Sunday girl.

(Chorus)

Hurry up, hurry up and wait,
I stay awake all week and still I wait
I got the bruise, please come see
What your love it makes to me.

(Verse)

She cant catch up with the working grind
The weekend lude and shes feeling bright
Living dream Sunday girl.

Baby, I would like to go out tonight,
If I go with you, my folks will get uptight,
Stay at home, Sunday girl.

I got the bruise, please come see
What your love it makes to me.
