Take it back
Oh, take it back
I don't want your loving anymore

Let me live,
Oh, let me live
It's not you who I sing for

So don't sit next to me
Sit by yourself...

I don't want to wonder
Whether you love me
I don't want to wonder
Whether you care

So don't try to woo me
Don't try to fool me
Oh, I know all of your tricks
It's the possibility of staying in my corner

I don't want to wonder
Whether you love me
I don't want to wonder
Whether you care

So don't try to woo me
Don't try to fool me
Oh, I know all of your tricks
It's the possibility of staying in my corner
