I don't like you but I love you
Seems that I'm always thinking of you
Oh ho ho, you treat me badly
I love you madly, you've really got a hold on me
You really got a hold on me
You really got a hold on me
You really got a hold on me

Baby, I don't want you but I need you
Don't want to kiss you but I need to
Oh ho ho, you do me wrong now
My love is strong now, you've really got a hold on me
You really got a hold on me
You really got a hold on me
You really got a hold on me

Baby, I love you and all I want you to do
Is just hold me, hold me, hold me, hold me
Tighter, tighter

I want to leave you, don't want to stay here
Don't want to spend another day here
Oh ho ho, I want to split now
I just can quit now, you've really got a hold on me
You really got a hold on me
You really got a hold on me
You really got a hold on me

Baby, I love you and all I want you to do
Is just hold me, please, hold me, squeeze, hold me,
hold me

You really got a hold on me
You really got a hold on me
You really got a hold on me
You really got a hold on me
