I quit smokin cigarettes  
got tired of coughin every step  
and I quit smokin cigarettes  
and i ain't goin back again

Well I quit smokin cigarettes  
they made all my clothing smell like sh\*t  
and I quit smokin cigarettes  
and i ain't goin back again

Well I quit smokin cigarettes  
it's a waste of paper cash and breath  
and I quit smokin cigarettes  
and i ain't goin back again

Well I quit smokin cigarettes  
cause it promotes animal tests  
and I quit smokin cigarettes  
and i ain't goin back again

Well I quit smokin cigarettes  
well it never helped me out with stress  
and I quit smokin cigarettes  
and i ain't goin back again

Well I quit smokin cigarettes  
cause all the cash the bosses get  
while the farmers get a whole lot less  
and i ain't goin back again

Well I quit smokin cigarettes  
i'd rather drag my little self to death  
and I quit smokin cigarettes  
and i ain't goin back again

Well I quit smokin cigarettes  
after 5 years as an addict  
and I quit smokin cigarettes  
and i ain't goin back again

Well I quit smokin cigarettes

and i ain't got no regrets  
and I quit smokin cigarettes  
and i ain't goin back again
