If you're white and Christian
You can build IEDs in Michigan
For a race-war insurrection
And not be a terrorist

But if you're an Iraqi orphan
Whose parents were killed in the invasion
And you're fighting against occupation
You're a terrorist

If you're white and Christian
You can get charged with possession
Of a weapon of mass destruction
And not be terrorist

But if you're a Palestinian teen
Throwing rocks at the war machines
Or demonstrating in Bil'in
You're a terrorist

If you're white and Christian
You can carrying out a suicide mission
You can fly a plane into a building
And you won't be a terrorist

You can hear it on your television
9/11 was different
Cuz the pilots were not Christians
And thus it was terrorism

If you're white and Christian
You can go on terrorising
As long as your note a Leftist
That would be terrorism
