Wrapped around each other  
Lying in each other's arms  
That first cold winter together  
Trying so hard to stay warm  
Watching those old movies  
Falling in love so desperately  
Honey I was your hero  
And you were my leading lady.

(chorus)  
We had it all  
Just like Bogie and Bacall  
Starring in our old late, late show  
Sailing away to Key Largo

Honey can't you remember  
We played all the parts  
That sweet scene of surrender  
When you gave me your heart  
Please say you will...play it again  
Cause I love you still  
Baby this can't be the end.

Chorus

Here's lookin at you kid  
Missing all the things we did  
We can find it once again, I know  
Just like they did in Key Largo

Chorus
