Oh, there he is
Ooh, he looks better every time I see him
Look - those eyes, those lips
I know he wants me, I know he does

I see him walkin', his body talkin'
He's got a real cool style
Something that he got, it get me so hot
His body drive me wild

I know it's gonna be tough
Things I'm gonna have 2 give up
Yeah, I know he thinks he's sweet
But he can't resist my beat

{Distant Spanish vocals}

I know he sees me, why does he tease me?
Why does he play this game? Ha!
He knows I love him, always thinking of him
I guess pretty men have no shame

Sometimes I wanna beat U up
Is that what U want me 2 do? (Sing)

One day, one day, one day
I wanna make U mine
One day, one day, one day
I wanna make U mine

I've got a potion that gives emotion
I'm gonna turn U on (Hot)
U will adore me, none will come before me
Then it won't be long

U're gonna kiss me, U're gonna kiss me
Like U never kissed before
Ooh, that night U want me, I'll be happy (And I'll be
happy)
Cuz on that night I'll have what I've been waiting 4

One day, one day, one day
Gonna make U mine
One day, one day, one day
I'm gonna make U mine

Oh wow, there he is again
What am I gonna do? (Gonna make U mine)
Ooh, I do declare
I think I'm gonna go mad
I want that body so bad, so bad (Gonna make U mine)

One day, one day, one day
Gonna make U mine
One day, one day, one day
I'm gonna make U mine

One day (Hear me out)
I'm gonna make U mine (Hear me out)

{Distant Spanish vocals in BG }

One day, one day
I'm gonna make U mine

Hear me out (CHORUS)
One day, one day
I'm gonna make U mine
Oh, oh
One day, I'm gonna sock it 2 U

Someday I'm gonna sock it 2 U (CHORUS {x2})
U, ooh
Gonna make U mine
Gonna make U, gonna make U, gonna make U mine
Gonna make U mine, mine, mine... yeah!
Oh yeah, oh yeah
Gonna make U mine

Mine, mine, mine, mine
One day!
