Darling, I've gotta talk to you  
About the things you've been putting me through  
I've gotta talk to you  
I've gotta be explained to

Feelings, they're really burning now  
They're burning higher than they've ever done before  
I need to talk to you, I need to feel it deeply  
You're actions now, they're really driving me  
Driving me into a deep bed of insanity  
You need to talk to me  
You need to feel it deeply

Don't be afraid to say it  
Don't be afraid to say it  
The words that you might tell me  
Could never hurt me oh no

I've gotta feel it, I've gotta feel it  
I've gotta feel it deeply, deeply now  
I've gotta feel it, I've gotta feel it  
And the words come tumbling from me

Feelings, they're really burning now  
They're burning higher than they've ever done before  
I need to talk to you, I need to feel it deeply  
Sometime now you gotta come round  
To the way that I been feeling about you now  
I gotta talk to you, I gotta be explained to

Don't be afraid to say it  
Don't be afraid to say it  
The words that you might tell me  
Could never hurt me oh no

I've gotta feel it, I've gotta feel it  
I've gotta feel it deeply, deeply boy  
I've gotta feel it, I've gotta feel it  
And the words come tumbling from me

Don't be afraid to say it

Don't be afraid to say it  
The words that you might tell me  
Could never hurt me oh no

I've gotta feel it, I've gotta feel it  
I've gotta feel it deeply, deeply now  
I've gotta feel it, I've gotta feel it  
And the words come tumbling from me
