And you don't seem to understand
A shame you seemed an honest man
And all the fears you hold so dear
Will turn to whisper in your ear

And you know what they say might hurt you
And you know that it means so much
But you don't even feel a thing

I have fallen
I have faded
I have lost it all

And you don't seem the lying kind
A shame then I can read your mind
And all the things that I read there
Candle-lit smile that we both share

And you know I didn't mean to hurt you
And you know that it means so much
But you don't even feel a thing

I have fallen
I have faded
I have lost it all

I have fallen
I have faded
I am drowning, help me to breathe

I am hurting
I have lost it all
I am losing, help me to breathe
