It's been so long since you were here with me
Since you left me I could I set you free
It's just a game well done myself again
And finally I'm ready to go fast you see

'Cause I did some good, and I did some bad,
I know what we had was true

You're still my NO. 1 the one I'm thinking of
The one I can rely
I guess you know that so different site I love this song
This all you said and done
You're still my NO. 1

The things I said I taken back you know
It?s not the end 'Cause now I've taken my stand
And I miss you, and want you back in my life,
(want you back in my life, I want you back in my life)

'Cause I did some good, and I did some bad,
I know what we had was true

You're still my NO. 1 the one I'm thinking of
The one I can rely
I guess you know that so different site I love this song
This all you said and done
You're still my NO. 1

I remember the days how we used to laugh
How we used to dance to that song and after all this
time I have no regret
You're still my no. 1 (Wooh)

Du, Du Du Du Du Du, Du Du Du Du Du, Du Du Du Du Du
Du Du Du Du Du Du Du Du
Du Du Du Du Du, Du Du Du Du Du, DU Du-Du Du Du Du Du
Du Du Du Du Du Du Du

You're still my NO. 1 the one I'm thinking of
The one I can rely
I guess you know that so different site I love this song

This all you said and done
You're still my NO. 1

You're still my NO. 1 the one I'm thinking of
The one I can rely
I guess you know that so different site I love this song
This all you said and done
You're still my NO. 1
