The Lights of Seoul

English Lyrics by Young Shin Oh  
Composed by Suk Hong, Paul J Hwang  
Arranged by Paul J Hwang

Morning sunlight in your eyes brings life to everything  
Waking the earth with love and tenderness within  
Feel the blooming of the trees vivid in the clear blue  
sky  
So blue that it just takes your heart and breath away

And why the smallest whispers in your ears give  
happiness  
Because I know that tomorrow is full of love?? for us  
all??

Hi Seoul~ chase the shining dreams ahead  
The days to come are full of hope for everyone  
The shining sun will light up your path 'till the end  
Like birds we'll take the flight of pure joy, for days to  
come?? Hi Seoul??

Silent starlight in the sky gives me hope and warmth  
inside  
Filling my heart with love and happiness within  
Sweet memories of friendship of us linger in my heart  
So sweet that it just takes your heart and breath away

And why the smallest whispers from the streets talk  
happiness  
Because all the joy n' passion is all out there?? for us  
all

Hi Seoul~ chase the shining dreams ahead  
The days to come are full of hope for everyone  
The shining sun will light up your path 'till the end  
Like birds we'll take the flight of pure joy, for days to  
come?? Hi Seoul??

Hi Seoul?? chase the shining dreams ahead

The days to come are full of hope for everyone  
The shining sun will light up your path 'till the end  
Like birds we'll take the flight of pure joy, for days to  
come?? Hi Seoul??
