Song by The Lemonheads

Shes coming over,  
Well go out walking,  
Make a call on the way.

Shes in the phone booth now,  
Im looking in.  
There comes a smile on her face.

Theres still some of the same stuff we got yesterday.  
Theres still some of the same stuff we got yesterday,  
Yeah.

Im too much with myself,  
I wanna be someone else.  
Im too much with myself,  
I wanna be someone else.  
Im too much with myself,  
I wanna be someone else.

So we take off out fionas door,  
Walk until its light outside,  
Like before when we were on the phone.

We have to laugh to look at each other.  
We have to laugh cause were not alone.

As the cars fly up king st.  
Its enough to startle us,  
Its enough to startle us

I love my drug buddy.  
My drug, my drug buddy.  
I love my drug buddy.  
My drug, my drug buddy.
