"Soul Meets Body"

And bathe my skin in water cool and cleansing

And feel, feel what its like to be new

Cause in my head there's a greyhound station

Where I send my thoughts to far off destinations

So they may have a chance of finding a place

where they're far more suited than here

I cannot guess what we'll discover

We turn the dirt with our palms cupped like shovels

But I know our filthy hands can wash one another's

And not one speck will remain

I do believe it's true

That there are roads left in both of our shoes

If the silence takes you

Then I hope it takes me too

So brown eyes I hold you near

Cause you're the only song I want to hear

A melody softly soaring through my atmosphere

Where soul meets body

Where soul meets body

Where soul meets body

I do believe it's true

That there are roads left in both of our shoes

If the silence takes you

Then I hope it takes me too

So brown eyes I hold you near

Cause you're the only song I want to hear

A melody softly soaring through my atmosphere

A melody softly soaring through my atmosphere

A melody softly soaring through my atmosphere

A melody softly soaring through my atmosphere
