What if you  
Spoke those words today  
I wonder if you'd miss me  
When I'm gone  
It's come to this, release me  
I'll leave before the dawn  
But for tonight  
I'll stay here with you  
Yes, for tonight  
I'll lay here with you  
But when the sun  
Hits your eyes  
Through your window  
There'll be nothing you can do  
What if you  
Could hear this song  
What if I  
Felt like I belong  
I might not be leaving  
Oh so soon  
Began the night believing

I loved you in the moonlight  
So, for tonight  
I'll stay here with you  
Yes, for tonight  
I'll lay here with you  
But when the sun  
Hits your eyes  
Through your window  
There'll be nothing you can do  
I could've treated you better  
Better than this  
Well, I'm gone, this song's your letter  
Can't stay in one place  
So, for tonight  
I'll stay here with you  
Yes, for tonight  
I'll lay here with you  
But when the sun  
Hits your eyes  
Through your window  
There'll be nothing you can do
