I have a lil' pretty Chichi  
Who lives in the city  
Just looking at this lady  
Gets me quickly kinky  
Her eyes are sweet n' dreamy  
Her touch raises my tweedy  
Oh! Pretty Chichi  
She can be real steely

I got a Pretty Chichi  
She rocks the big city  
Her poppas mean and grizzly  
Always mean an' ghastly  
Hates to see me busy  
Parts me from Chichi  
And yells 'beat it quickly'.  
I can't be off Pretty Chichi

So me an' sweet Chichi  
Who grew up in the city  
We gotta keep fizzy  
I can't take all her titty  
When I feel her ninny  
I'm all wobbly and weakly  
And when I get the greeny,  
I'm all steel and stuffy  
Oh! My lil pretty Chichi  
She's so very pretty

Took her cruising in da city  
An' comes this little creepy  
All worked up red and horny  
An' tries to grab Chichi  
So I beat him quickly and swiftly  
Can't help being so greedy  
With lil pretty Chichi,  
I'm all hot an' steamy

Sweet lil' Chichi,  
She's always so very dishy  
To handle pretty Chichi

You gotta be pretty tricky  
Cos sweet pretty Chichi  
She can be pretty bitchy  
When not keepin' me busy
