So one day, Satan came through the gates of Heaven
And he said, Look God who are you trying to kid?
God is all there is nothing that is not God.
I am You, there is no distance.
I am You, there is no distance.

(instrumental)

Oh, said God, so You finally forgave Yourself,
About time, good work, come on in, would You like
some tea?
And the people evolved
And all the hatred dissolved
And all the hunger resolved
He said, I am You, there is no distance
I am You, there is no distance
I am You, there is no distance
I am You, there is no...
I am You, there is no distance
I am You, there is no...
