Slap my el, slap my bow
Slap my el-bow!

Slap it on the right, slap it on the left,
Check my phone, check my phone, what's your age.
My money is right, my money is right,
My homie in the ghettodays, doin alright.
So slap it up! (Your elbow!)
So slap it up! (Your elbow!)
S.M.O.U.S.E is moving it right,
Not your shoulder or your knees is you elbow aight!

Step one, put your arm in front,
Step two, get your elbow ready,

Step three, slap it hard!
So slap it hard!

Now everybody!
Slap my elbow, you do it like this!
Slap my, slap my elbow, you do it like this!
I slap my el, slap my bow,

Whenever you're feeling down alone in your bedroom
And even in the club with your girl, or walking the dog
Get your elbows out kids, and just slap it!
