(Verse)

Be patient my love
Keep waiting for me
Just stay there my love
And be amazing for me

When I see you
I know who you are
Love has no map
But I follow my heart

(Chorus)

Boy I know you're out there somewhere
And my heart won't let me lose hope
Gotta find you, I know my love
Somewhere waiting for me
I will find you
'Cause I know you're out there
Yes I know you're out there

Show me where

Gotta find you, I know my love
Somewhere waiting for me
I will find you
'Cause I know you're out there
Yes I know you're out there

Show me where (x4)

(Verse)

I've been all over the world
Searching for you
I've been all over the land
Trying to find you

Wherever you are
Put a light up
Wherever you are
Help me find you

(Chorus)

And I know you're out there somewhere
And my heart won't let me lose hope
Gotta find you, I know my love
Somewhere waiting for me
I will find you
'Cause I know you're out there
Yes I know you're out there

Show me where

Gotta find you, I know my love
Somewhere waiting for me
I will find you
'Cause I know you're out there
Yes I know you're out there

Show me where (x4)

(Bridge) x2

Don't give up on me now
Oh no
Don't give up on me now
Oh no
I won't give up on you now
No matter what
I won't give up on you now
Oh no

(Chorus)

And I know you're out there somewhere
And my heart won't let me lose hope
Gotta find you, I know my love
Somewhere waiting for me
I will find you
'Cause I know you're out there
Yes I know you're out there

Show me where

Gotta find you, I know my love
Somewhere waiting for me
I will find you
'Cause I know you're out there
Yes I know you're out there

Show me where (x4)
