Get this party started on a Saturday night

Everybody's waitin' for me to arrive

I got lotsa style, check my gold diamond rings

I can go for miles if you know what I mean

I'm comin' up so you better get this party started

I'm comin' up so you better get this party started

Sendin' out the message to all of my friends

We'll be looking flashy in my Mercedes Benz

I got lot of style, check my gold diamond rings

I can go for miles if you know what I mean

Get this party started on a Saturday night

Everybody's waitin' for me to arrive

I'm comin' up so you better get this party started

I'm comin' up so you better get this party started

Pumpin up the volume, breakin' down to the beat

Cruisin' through the west side

We'll be checkin' the scene

Boulevard is freakin' as I'm comin' up fast

I'll be burnin' rubber, you'll be kissin' my ass

Pull up to the bumper, get out of the car

License plate is selling number one superstar!

I'm comin' up so you better get this party started  
I'm comin' up so you better get this party started  
Get this party started, get this party started,  
Get this party started, get this party started  
Makin' my connection as I enter the room  
Everybody's chillin' as I set up the groove  
Pumpin' up the volume with this brand new beat  
Everybody's dancin', and their dancin' for me  
I'm your operator, you can call anytime  
I'll be your connection to the party line  
I'm comin' up so you better get this party started,  
I'm comin' up so you better get this party started!  
Get this party started, get this party started,  
Get this party started, get this party started  
Get this party started,  
This party started,  
Right now!
