Take me

(Live 2006)

Just please be real
Don't sit on the sidelines and watch me walk away
Please just do it
Do it to me
Do what you feel and ask me later
Take me please take me
Don't talk, don't talk
Make me forget about us
Make me forget about me
Please just do it
Do it to me
You don't have to worry anymore
Take me please take me
Just move your feet upon this floor
I just need to know for sure
Maybe we'll find
Maybe we'll find
Don't promise me nothing
Just be you
Don't stand on the sidelines and watch me walk away
Please just do it
Do it to me
Do what you want and think later
Take me, please take me
