The ride

Starting now the wait is over  
As long as you jump the ride  
'Cause I won't highway-walk forever  
As long as you jump the ride

As long as you follow me  
This is what I do, like I do  
I've been on the ride before  
It never stops at all  
It never stops at all

You'll start your engines like a virgin  
As long as you jump the ride  
We'll cut the whip and lose the anchor  
As long as you jump the ride

As long as you follow me  
This is what I do, like I do  
I've been on the ride before  
It never stops at all  
It never stops at all

As long as you follow me  
This is what I do, like I do  
I've been on the ride before  
It never stops at all  
It never stops at all

Don't you feel for us  
That we're on the round and round?  
Don't you hear  
The endless motor sound?

As long as you follow me  
This is what I do, like I do  
I've been on the ride before  
It never stops at all  
It never stops at all  
It never stops at all
