You're not the man who gave me everything  
I've ever wanted

You're not the man  
Who stepped inside my life  
And haunted every, every day

You're not the man  
Who said he'd never leave  
Couldn't breathe  
And could not sleep without me

That was someone who you left behind  
A long time ago

You're not the man  
Who would bleed for me  
Never she'd a tear  
You're not the one  
Said he'd always be near

You're not the man  
Who threw me a lifeline  
And you're not the man  
I am so proud to call mine

And you're not the one  
Who said he'd never leave  
The one who made me believe in me  
That was someone who could do no wrong  
But you lost him

You're not the man  
Who would bleed for me  
But never she'd a tear  
You're not the one  
Who said he'd always, always, always be here  
Said he'd always, always be near

But don't get me wrong  
Although it seems sad

It's not all bad  
You see  
I'm not the little girl I used to be

You're not the man  
Not the one  
Who said he'd always, always, always be near

He was everything you see  
He made me believe in me  
Said he'd always, always, always be here
