baby got to have little talk
i ought to pack up my things and walk
i know a dollar goes hand to hand
before i let you go from man to man

I'd rather drink muddy water, sleep in a hollow log, yes,
yes
Run to you just like a Georgia mule
my friends laughed and they called me a fool
your kisses are sweet as candy
before I let you make a sap out of me
I'd rather drink muddy water, sleep in a hollow log

Love you baby but you won't be there
you don't know how be on the swear
have your fun, baby if you must
before i'll have a women i can trust
i'd rather drink muddy water, oh sleep in a hollow log
