A third crash interrupts the celebration, and this time the villainous Macavity appears! Two of his henchman invade the proceedings and kidnap Old Deuteronomy! Two felines familiar with Macavity, Demeter (a frightened kitten who had been previously abducted by Macavity) and the older and more sensual Bombalurina (a goodtime girl who gets along with everyone) sing what they know of "Macavity"

SOLO:
Macavity!

Macavity's a mystery cat, he's called the hidden paw
For he's a master criminal who can defy the law
He's the bafflement of Scotland Yard, the Flying Squad's despair
For when they reach the scene of crime Macavity's not there!

Macavity, Macavity, there's no one like Macavity
He's broken every human law, he breaks the law of gravity
His powers of levitation would make a fakir stare
And when you reach the scene of crime Macavity's not there!

You may seek him in the basement, you may look up in the air
But I tell you once and once again Macavity's not there!

Macavity's a ginger cat, he's very tall and thin
You would know him if you saw him for his eyes are sunken in
His brow is deeply lined in thought, his head is highly domed
His coat is dusty from neglect, his whiskers are uncombed

He sways his head from side to side with movements
like a snake
And when you think he's half asleep, he's always wide
awake

Macavity, Macavity, there's no one like Macavity
He's a fiend in feline shape, a monster of depravity
You may meet him in a by-street, you may see him in
the square
But when a crime's discovered then Macavity's not
there!

He's outwardly respectable, I know he cheats at cards
And his footprints are not found in any files of Scotland
Yard's
And when the larder's looted or the jewel case is rifled
Or when the milk is missing or another peke's been
stifled
Or the greenhouse glass is broken and the trellis past
repair
There's the wonder of the thing Macavity's not there!

Macavity, Macavity, there's no one like Macavity
There never was a cat of such deceitfulness and
suavity
He always has an alibi and one or two to spare
What ever time the deed took place Macavity wasn't
there!

And they say that all the cats whose wicked deeds are
widely known
I might mention Mungojerrie, I might mention
Griddlebone
Are nothing more than agents for the cat who all the
time
Just controls the operations: the Napoleon of crime!

Macavity, Macavity, there's no one like Macavity
He's a fiend in feline shape, a monster of depravity
You may meet him in a by-street, you may see him in
the square
But when a crime's discovered then Macavity

Macavity, Macavity, Macavity
When a crime's discovered then Macavity's not there!
Macavity's not there!

Macavity returns, disguised as Old Deuteronomy, but
he
is revealed, and he battles with Munkustrap and the

other
male cats. Tired and almost defeated, Macavity rigs an
electrical explosion that puts out all the lights, leaving
the Jellicles in the dark.

We have to find Old Deuteronomy
