"The Moments Of Happiness"

It's after the Jellicle Ball, and the cats are resting,
contemplating before they resume introducing more
cats.

SOLO:

The moments of happiness
We had the experience but missed the meaning
And approach to the meaning restores the experience
In a different form beyond any meaning

We can assign to happiness
The past experience revived in the meaning
Is not the experience of one life only
But of many generations
Not forgetting something that is probably quite
ineffable

JEMIMA:

Moonlight
Turn your face to the moonlight
Let your memory lead you
Open up, enter in
If you find there the meaning of what happiness is
Then a new life will begin
