Arise, shine  
For thy light is come  
And the glory of the Lord is upon you  
(repeat)

Stand and take your place  
in the Kingdom  
Stand up in your authority in the Kingdom  
Jesus is the king of the Kingdom  
And he has won the victory

Everbody arise, shine  
For thy light is come  
And the glory of the Lord is upon you

Go ye  
To every tongue, to every nation  
Go ye  
To every tribe and every people  
Go ye  
Take the light (2x)  
Go ye  
Take the light(2x)
