(Verse 1)

The voice of the lord spoke to moises out of the bush.  
That burned and was not consumed, the voice of our  
god spoke to moises from the bush, that burned and  
was not consumed. The king of kings manifested  
presence is in the pillar cloud by day. The pillar of fire  
his power was displayed ,the manifested presence of  
the king of kings fell like fire from the heavens to  
consume everything. Now we are sons called Levi ask  
you to purify we are sons called Levi ask you to purify.
