Lyrics to Before The Throne:

Solo: Before the throne is where we come to offer

praise and seek wisdom

You have torn the veil that separates

No more outside now in Your grace

Choir: Before the throne is where we come to offer

praise and seek wisdom

You have torn the veil that separates

No more outside now in Your grace

So we bow as we enter the throne room

And we cast ourselves down at Yourfeet

We cry holy, thou art holy, there is none like thee

In Your presence is where we must be

Solo: Prepare our hearts for service now

When we fall short please show us how

Guide us with Your truth, ancient of days

Renew our hearts and cleanse our way

Choir: So we bow as we enter the throne room

And we cast ourselves down at Yourfeet

We cry holy, thou art holy, there is none like thee

In Your presence is where we must be

So we bow as we enter the throne room

And we cast ourselves down at Yourfeet

We cry holy, thou art holy, there is none like thee

In Your presence is where we must be

(Soloist ad lib throughout) (choir repeat throught)

In Your presence is where we must be
