Praise is what I do
When I wanna be close to You
I lift my hands in praise
Praise is who I am
I will praise Him while I can
I'll bless Him at all times

And I vow to praise You
Through the good and the bad
I'll praise You
Whether happy or sad
I'll praise You
In all that I go through
Because praise is what I do
Cause I owe it all to You

Praise is what I do
Even when I'm going through
I've learned to worship You
No my circumstance
Doesn't even stand a chance
My praise outweighs the bad

Praise is what I do
It's what I do
