Oh Lord, God we come to You as humbly as we know
how
Seeking Your face on this evening
We've come to give You worship God
We've come to give You honor God
And we've come to express our love on to You
For He is the King of kings and Lord of lords
In humble adoration we bow before Your throne
As we come before Your presence we honor You alone
So we lift up our voices as trumpets heralding You
You are the King of Glory so this is what we do
In humble adoration we bow before Your throne
As we come before Your presence we honor You alone
So we lift up our voices as trumpets heralding You
You are the King of Glory so this is what we do
We worship You today, we worship You today
We worship You today, we worship You today
We worship You today, we worship You today
We worship You today, we worship You today
We honor You today, we honor You today
We honor You today, we honor You today
We honor You today, we honor You today
We honor You today, we honor You today
We love You today, we love You today
We love You today, we love You today
We love You today, we love You today
We love You today
Hallelujah Jesus, hallelujah Jesus
We love You Lord, we love You Lord
Because You first loved me
Oh, You sacrificed your life on Calvary
We love You today, Lord we love You today
Oh, we love You today, oh, we love You today
Oh, we love You today
We love You today, we love You today
We love You today, we love You today
We love You today, we love You today
We love You today, we love You today
We worship You today, we worship You today
We worship You today, we worship You today
We worship You today, we worship You today

We worship You today
Hallelujah, hallelujah
Hallelujah, hallelujah
