Make a joyful noise unto the Lord for He is worthy  
Sing unto Him a new song with one accord  
For He is worthy  
So we lift our hands in praise  
Knowing all things work for our good always  
You're worthy  
We magnify Your name

You are King and Lord of Lords  
We shall lift Your name forevermore  
You're worthy  
We magnify Your name

Bridge You're worthy, worthy, worthy, You're worthy Lord  
We praise You, Praise You, Praise You, We praise You Lord  
We love You, love You, love You, we love You Lord  
Lord we love You, adore You  
And we worship Your holy name  
So we lift our hands in praise  
Knowing all things work for our good always

You're worthy  
We magnify Your name  
Sopranos We magnify Your name  
Altos We praise your name, Lord Your name  
Tenors Lord we magnify Your name
