Where were you when times were tough
Where were you when I'd had enough
Were you there when I was down
I was there and I saw you frown
I was there when you were sad
And every little thing made you feel so bad
[Ooooh I was there]
Now I'm here at home
In this room with no doors
And the walls are closing in
And I feel so alone

[I feel so alone]
Got to break free
[I feel so alone]
From this ball and chain
[I feel so alone, so alone]
From this ball and chain

Where were you when times were tough
Where were you when I had enough
Where you there when I was down
I was there and I saw you frown
I was there when you were sad
And every little thing make you feel so bad
[Ooooh I was there]
Now I'm here at home
In this room with no doors
The walls are closing in
And I feel so alone

[I feel so alone]
Got to break free
[I feel so alone]
From this ball and chain
[I feel so alone, so alone]
From this ball and chain

Now I'm here at home
In this room with no doors
Now the walls are closing in

And I feel so alone

[I feel so alone]
Got to break free
[I feel so alone]
From this ball and chain
[I feel so alone, so alone]
From this ball and chain
[I feel so alone]
[I feel so alone]
From this ball and chain
[I feel so alone, so alone]
From this ball and chain
