Not quite going in reverse  
Lasso down the universe  
What you think of me is strange  
Try too hard I'll never change  
Don't you push me around  
Or I'm gonna drag you down  
Think that you can treat me like this  
I'll never let you force me to do something that I did...

Doo da da dee dat  
Doo da da dee dat  
Doo da da dee dat

I had a dream  
I had a dream that I was floating on a pink cloud with a  
maroon duck  
When it asked me.....  
And I looked up to the sky  
And I saw a figure  
It was small with shiny lights  
And out of this, this little blue figure, with the small  
shining lights stepped a little  
Blue man, with a little blue flig- figure  
And he said to me  
"Do you believe?"  
I said "I believe a lot of things  
But I want to believe."  
He said "Good"  
Because Now I will take you on a journey  
ON a journey to the wild side  
And as I walked along the wild road  
On this wild side walk  
As i walked along this wild sidewalk  
I met up with a man  
A man they call "Dave"

Not quite going in reverse  
Laso down the universe  
What you think of me is strange  
I try too hard, I'll never change  
Don't you push me around

Or I'm gonna drag you down  
Think that you can treat me like this?  
I'll never let you force me to do something that I did...

Doo da da dee dat  
Doo da da dee dat  
Doo da da dee dat

As I walked on down the wild sidewalk and met up with  
the man they call "Dave"  
The man they call dave said to me, he said to me, I can  
play my saxophone for you  
And I can make, I can make you believe wonderous  
things, I can make you believe,  
That I am Daniel, the drummer

And I can make you believe, I can make you believe  
that I am,  
Levi the guitar player

And I can make you believe, I CAN MAKE YOU BELIEVE,  
That I am Jason, the Bass

And then he looked at me with his cold eyes  
He seemed to stare down into my soul  
When he looked at me and said "I can show you  
something... magical"  
I can sound like you.

Not quite going in reverse  
Lasso down the universe  
What you think of me is strange  
I try too hard I'll never cahnge  
Don't you push me around  
Or I'm gonna take you down  
Think that you can treat me like thisssss?  
I'll never let you force me to do something that I did...

Doo da da dee dat  
Doo da da dee dat  
Doo da da dee dat

SO I wrote a song... about a man.... they call dave.
