Touch down in London Heathrow,  
I won't ever be the same.  
Miss you more than you know,  
I know, I'm too far away.

In this hotel room,  
I'll break down soon.  
When there's no one watching.  
Hear the dial tone,  
It's like we're alone.  
And it's all I wanted.

I'll change the lines on this map,  
I'll change the lines, so our places match.

In this hotel room,  
I'll break down soon.  
When there's no one watching.  
Hear the dial tone,  
It's like we're alone.  
And it's all I wanted.

And I can't disguise,  
The tears in my eyes give me away.  
So now that it's gone,  
I thought I could make it but I was wrong.

In this hotel room,  
I'll break down soon.  
When there's no one watching.  
Hear the dial tone,  
It's like we're alone.  
And it's all I wanted.

In this hotel room,  
I'll break down soon.  
When there's no one watching.  
Hear the dial tone,  
It's like we're alone.  
You it's all I wanted.

You were all I wanted.  
You were all I wanted.
