kuch oumedian aise hote hain joh waqt guzarne ke

eis gane ke bolon mein joh oumead sunie de thi hai
composition neh ouse weham mein badal diya hai.

Toour jana, toour jana, toour jana, toour jana,
mahi de mein sang
cheete cheete
Toour jana, toour jana
puri hoi, puri hoi dil de oumang
cheete cheete ho cheete cheete ho cheete cheete

Eh wajia din kadi pehle teh nahin ayaa si, x2
ese din pehlan menu bara tarsiya si
char jana, char jana, char jana
mehndi wala rang
cheete cheete, puri hoi, puri hoi dil de oumang
cheete cheete ho cheete cheete ho cheete

Dil deiyan hoiyan neh muradan sab puriyan, x2
nere nere pyar hoya mokiyan neh duriyan
kat jana, kat jana, kat jana
ban ke patang
cheete cheete, tour jana, tour jana mahi de mein sang
cheete cheete puri hoi dil de oumang
cheete cheete ho cheete cheete.
