Within those realms of community  
The days rage like the tearing claws  
Of the beast of prey  
But in gnawing nights searching for peace  
The sufferer's stolen soul fails inside

The beast's hurtful paunch  
And it's acid laughter

Far from here within the storm's raging  
The fleeting years swirl like leaves  
In those ruins of a human soul  
But reaching for those years  
The seeker drowns in

A surging ocean of  
Fading memories

The weak senses change illusions  
Into glimmers of hope  
A suspected deeper truth  
The observer cannot realize  
For he plunges into passion and faith  
As a way of passing the time  
The exhausted death itself miserably fails

Giving no certainty of  
Mercy and deliverance

And behind an intangible horizon  
The swaying comedian squeals  
And laughs scornfully
