When I promised you,  
That I would be strong,  
It was not a lie,  
It was just that I was wrong  
There's no way I'd ever guess,  
I'd be so defenseless

#### **CHORUS**

I have walked against the wind,  
I find shelter in my friends,  
There's some comfort in the wine,  
If I can sleep it buys me time,  
I can duck out of the rain,  
But there's no hiding from the truth,  
I'm still naked to the pain,  
Of losing you  
I can't build a door,  
That you can't drift through,  
When I close my eyes,  
I still dream of you  
Don't you know when you love someone,  
There's no protection

(REPEAT CHORUS)

I can duck out of the rain,

But there's no hiding from the truth,

But I'm still naked to the pain..of losing you
