I know how to hurt
I know how to heal
I know what to show
And what to conceal

I know when to talk
And I know when to touch
No one ever died, from wanting too much

The World is Not Enough
But it is such a perfect place to start my love
And if you're strong enough,
Together we can take the world apart my love

People like us
Know how to survive
There's no point in living
If you can't feel alive

We know when to kiss
And we know when to kill
If we can't have it all
Then nobody will

The World is Not Enough
But it is such a perfect place to start my love
And if you're strong enough,
Together we can take the world apart my love

I feel safe
I feel scared
I feel ready
And yet where we've been,
The World is Not Enough
But it is such a perfect place to start my love
And if you're strong enough,
Together we can take the world apart my love

The World is Not Enough
The World is Not Enough
No nowhere near enough

The World is Not Enough
