When I was young
You were my breath and heartbeat
Born in the dark
You were the hand that held me
You opened your arms
You call me into salvation
Your infinite love
Echoes in all creation

For who You are
You're the great I am
For who You are
You're the son of man
For who You are
I am who I am

Father of grace
I am a child of mercy
Inside my heart
And all around me I see the glory

For who You are
You're the great I am
For who You are
You're the son of man
For who You are
I am who I am

You pull me out of darkness
You pulled me out of all my emptiness
You are Your instrument of praise

For who You are
You're the great I am
For who You are
You're the son of man
For who You are
I am who I am

For who You are
You're the great I am

For who You are
You're the son of man
For who You are
I am who I am
