Macho ( a real, real one)  
Celi Bee

(Hello, baby)

Strong, cool, deceiving  
he gets into your life  
somehow conceited  
knowing just what he wants  
(Chorus)

He's got the macho in his heart (3x)  
He's a macho!  
A real, real one - Macho!

(Hey pretty mama)

Lost in his ego  
Shining like a superstar  
Sensual vibrations  
can hit you any time

Repeat chorus...

Macho! - a real , real one (4x)

He's got the macho in his heart (4 x)

(I know I got it, baby)

Macho! - a real, real one (8x)
