Take it back, take it all back  
You spin me around like an acrobat  
Sometimes love is blind  
I know that's for sure  
But when my eyes feel me  
My heart I can't... ignore

Don't mess with my heart anymore  
I don't understand what we're fighting for  
Don't mess with my heart anymore, anymore

Take it in, take it all in  
Just speak of your beauty I can't even beat get in  
Sometimes love is lonely I know that's the truth  
When I'm all alone I'm still dreaming of you

Don't mess with my heart anymore  
I don't understand what we're fighting for  
Don't mess with my heart anymore, anymore

I'm taking down the pictures  
I'm tearing down the walls  
I'm doing all the dishes  
With no memories of you at all

Don't mess with my heart anymore  
I don't understand what we're fighting for  
Don't mess with my heart anymore, anymore
