They try to beat me
They try to defeat me
They try to cheat me
But they have no luck
They try to cut me
They try to hunt me
But they have to give it up
Got to keep moving
Got to keep proving
And prove my grooving
So they can't keep up
Keep my head up high
Through the sky and... life
That i want you
Tell me if you hear me now
Hear me now saying loud aaaa uuu
Hear me now saying loud aaaa uuu
... is tired my body is wired my mind inspired
But a soldier on I got a heartache but I just can't shake
Cause I am about to break into pieces I belong
There is nothing in to it I just got to do it
No way through it I just can't go wrong
Try to stop me try to top me
They can't drop me
The can hear my song
Tell me if you hear me now
Hear me now saying loud aaaa uuu
Hear me now saying loud aaaa uuu
Tell me if you hear me now
Hear me now saying loud aaaa uuu
Hear me now saying loud aaaa uuu
Tell me if you hear me now
Hear me now saying loud aaaa uuu
Hear me now saying loud aaaa uuu
