Give me hot romance
And cool champagne
A night of passion
On a four train

Boys will be boys
I understand
But what I need
Is a leading man

(chorus)
I'm ready for my love scene
Give you all the love I can
I'm ready for my love scene
I'm looking for a leading man
I'm looking for a leading man

I'm on fire
If you set the spark
Shake me and stir me
'Til I go in the dark
I won't be fakin'
I'll treat you good
Better than those girls
In Hollywood

(chorus)

(bridge)
I've been searching
But I ain't searching no more
I finally found the man I've been looking for

Just picture you
And picture me
Think how hot
It's gonna be

We don't need rehearsin'
This is the way I feel
Ain't no actin'

This is all for real

(chorus)

repeat chorus
