#### Verse 1

The first and the last, forever alive  
Overthrew death and made us revived  
A knock at the door and we're offered the throne  
Lives changed by the Lion, illumination to the unknown

#### Chorus

All the tears, all the fears  
All the pains, all the chains  
Can come our way 'cause we're in His hands  
All the shame, all the blame  
All the irate hate  
Can come our way 'cause we're in His hands

#### Verse 2

He who has an ear  
Let him hear what the Spirit says  
To him who overcomes will gain the tree of life  
He knows our afflictions and our poverty  
The devil will put us to the test  
But live and die by faithfulness  
(Live and die by faithfulness)  
And He will give the crown of life

#### Chorus

All the tears, all the fears  
All the pains, all the chains  
Can come our way 'cause we're in His hands  
All the shame, all the blame  
All the irate hate  
Can come our way 'cause we're in His hands

#### Bridge 1

He's coming soon, the end is near  
He's coming soon, the end is near  
He's coming soon, the end is near  
He's coming soon, the end is near

#### Bridge 2

And so I'll hold on to what I have  
And not let them take my crown

And so I'll hold on to what I have  
And not let them take my crown

#### Bridge 3

Worthy is the Lamb who was slain  
In which my hopeless heart was changed  
Worthy is the Lamb who was slain  
In which my hopeless heart was changed

#### Chorus

All the tears, all the fears  
All the pains, all the chains  
Can come our way 'cause we're in His hands  
All the shame, all the blame  
All the irate hate  
Can come our way 'cause we're in His hands
