Verse 1

I come to You
Looking to find rest for my soul
My flesh and heart have failed
I offer to You all the control

x2

Chorus 1

I've been burdened and weary and lost
I lay my burdens at Your cross

Verse 2

I admit, with blinded eyes
I've been made unwise by the devil's lies
In his disguise as my surmise
Your plans he tries best to revise

Chorus 2

I've been restless and reckless, deceived
In Your presence, I find peace

Bridge

As new obstacles obstruct my sight
I'll pray for light so I can do what's right
I'll keep my eyes glued to Your way
Off-putting whispers won't lead me astray

Bridge 2

Nothing else can give me peace
You give me rest, my stress released
On my own, I have no might
To push past problems in this fight
Your presence stays with me
Your presence stays with me

Chorus 1

I've been burdened and weary and lost
I've been restless and reckless, deceived
And when these torments never cease
In Your presence, I find peace
