Verse 1

Storing up their treasure on this Earth
Clueless of the lacking of it's worth
When our bodies die and lose their girth
End is not the end but a new birth

Chorus

They'll never know until the end
But in the end, it will be too late

Verse 2

Crazy visions lurk inside their heads
Possibilities of when they're dead
Their whole lives are hanging from a thread
They've not once been positively led

Verse 2

They're afraid of what is up ahead
So on Earth they have indulged
And when they've seen pain, they have fled
But when code red strikes and all turns black
The end is not the end and there's no turning back

Chorus

They'll never know until the end
But in the end, it will be too late
X4

Instrumental

Chorus

They'll never know until the end
But in the end, it will be too late
