Verse 1

You created idols and worshiped them
But I stuck with God, and only Him
You used the Lord's name in vain
As if it was just a saying
You made the Sabbath just another day
But it's a day of rest, of holy praise
Mom told you to stay but instead you fled
But I honour my parents like the Bible said

Chorus

These are ten reasons in which we diversify
They are just basic rules that we live by
The laws that stand out make us separated
These are ten reasons, Christians isolated

Verse 2

You killed your enemies, nothing was solved
I committed myself to not get that involved
You craved his wife, performed adultery
But I am thankful for what I have received
Stole from the store, then you got caught
But all things I own have been bought
They questioned you, but you just lied
But honesty is what I provide

Chorus

These are ten reasons in which we diversify
They are just basic rules that we live by
The laws that stand out make us separated
These are ten reasons, Christians isolated

Bridge

No one is perfect
But we try the best we can
To follow Jesus
Throughout our life span
X2

Pre-Chorus

These are ten reasons

X4

Chorus

These are ten reasons in which we diversify
They are just basic rules that we live by
The laws that stand out make us separated
These are ten reasons, Christians isolated
