#### Verse 1

You want me  
No matter where I've been  
You want me  
No matter what I've done

#### Chorus 1

I see a sinner  
You see Your Son  
I feel a failure  
You see a tool for Your kingdom  
I feel pathetic  
You know what's near  
If I cry to You for guidance, as I combat every fear

#### Verse 2

You love me  
Even when I fall flat  
You love me  
Even when I'm deceived

#### Chorus 2

I feel unworthy  
Your grace is rare  
Undeserved as it may be, You did it out of care  
I feel alone  
I'm not at all  
And with all this opposition, only You can take it all

#### Bridge 1

Every struggle's a reminder that I'm done without You  
As I miss the mark again, there's still more I can do  
Even if I am a failure in their eyes or my own  
You have reasons for it all and my future is known

#### Bridge 2

At times I confuse the truth with the lies of the world  
Being told I'm on my own  
And sometimes I forget that You have so much more in store  
As I dwell on opportunities I've blown

End  
You love me  
No matter where I've been
