Verse 1

You don't try to run my life
You have my best interests in mind
I give my life to You, as whole
You bless me when my faith is full

Chorus

Who would've thought that surrender could be so
freeing?
Who would've known that, in following, we'd be
leaders?

Verse 2

I won't conform unto this world
My mind's renewed, I am transformed
I will resist all that distracts
Submit my life to giving back

Chorus

Who would've thought that surrender could be so
freeing?
Who would've known that, in following, we'd be
leaders?
x2

Bridge

Jesus, I find my life in You
You've freed me from the wrong that I can't undo
x2

Chorus

Who would've thought that surrender could be so
freeing?
Who would've known that, in following, we'd be
leaders?
x3
