#### Verse 1

The sand in my hand shows how soft rocks can be  
The stars in the sky show how much there is to see  
The waves are so relaxing in the darkness at the shore  
The sun lights up the day and then I can see -  
All of Your-  
All of Your-

#### Chorus

Your creation, so amazing  
You sustain it  
Everything in it is so unique  
They declare Your glory over every peak  
X2

#### Verse 2

I can listen to the Earth and hear Your name rejoiced  
I can listen to the silence, revealing Your distinct voice  
I see creativity in all the parts I explore  
Your face is everywhere, Your love I can't ignore

#### Chorus

Your creation, so amazing  
You sustain it  
Everything in it is so unique  
They declare Your glory over every peak  
X2

#### Bridge

Your faithfulness and grace overflow the Earth,  
overflow the Earth  
You've give me so much, way more than I deserve  
This gift which You've provided is where I'll spend my  
life  
I praise and worship You; I thank You for it, I thank You  
for it now  
X4

#### Chorus

Your creation, so amazing  
You sustain it

Everything in it is so unique  
They declare Your glory over every peak  
X4
